

SCHLUMBERGERA 'ZYGO CACTUS' THOR®

SCHLUMBERGERA ZYGO CACTUS THOR®

Hasfarm proudly represents the leading Schlumbergera breeder Thor® by Thoruplund AS, Denmark. With production facility in Vietnam, Hasfarm is able to offer cuttings in very high and uniform quality.

In recent years, the breeding of the Thor® varieties has been focusing on nicely branching plants with smaller leaves of which the New Generation® Series is a first-class result. Furthermore New Generation® can be characterized by it's compact and sturdy plants with beautiful flowers.
